## SUMMARY

---

Early-career Data Scientist with four years of experience analyzing membership data using Power BI, managing SQL and web servers for e-commerce, and bridging the gap between stakeholders and technology. Skilled in translating needs into data-driven solutions through effective data transformation and visualization.

## SKILLS

---

Programming: Python, PostgreSQL, DAX, R,  
Libraries: Pandas, Seaborn, Matplotlib, dplyr, ggplot2  
Tools: Power BI, Anaconda, Docker, Excel, Raiser's Edge, Power Automate  
Certifications:

- Microsoft Certified: Power BI Data Analyst Associate (2024-2025)
- Blackbaud Certified in Raiser's Edge CRM
- DataCamp Data Analyst with Power BI and R

## EXPERIENCE

---

American Friends of Rabin Medical Center Database Developer  
Nov 2024 - Present | New York, NY

- Automated the creation of Donor Acknowledgement letters using Power Automate and Blackbaud Sky API. Led the project from concept to implementation securing leadership buy-in
- Restructured donor database, enabling meaningful reporting and improved data analysis by reclassifying large volumes of data for accuracy and usability.

United Women in Faith IT Systems Manager  
May 2020 - February 2024 | New York, NY

- Designed Power BI dashboards to visualize membership insights, using DAX and Power Query for data transformation.
- Troubleshoot and resolved e-commerce order issues using SQL, identifying and resending unprocessed orders via LEFT JOIN.
- Led cross-departmental projects to centralize data, streamline workflows, and improve organizational efficiency.
- Delivered ad hoc data analysis reports for event participation and donor contributions.

College Advancement CRM and Database Fellow  
November 2016 – June 2018 | Olympia, WA

- Built dashboards to track fundraising and donor engagement.
- Maintained Raiser's Edge CRM for accurate donor record management.
- Enhanced donor stewardship strategies, increasing alumni participation.
- Automated workflows in Raiser's Edge using third-party tools.

## EDUCATION

---

Evergreen State College June 2017  
B.A. Olympia, WA
